SYMPOSIUM**

- Shale Plays: Marcellus, Haynesville, Woodford, Eagle Ford
- Reservoirs: Channel Complexes, Fractures, Wrench Tectonics
- Induced Fracture Mapping with Active and Passive Seismic
- Rockies Winter Seismic Acquisition

One-Day Conference Showing 3-D Seismic Case Histories

Registration begins January 2010

Sponsors call: Jim Folcik 303-824-5520

Tuesday, March 16th, 2010 • Marriott Hotel – Downtown Denver, Colorado

The 2010 RMAG/DGS 3D Seismic Symposium is right around the corner and promises to be another outstanding meeting and a great opportunity to connect with new ideas and new clients who are active in the Rockies. An exhibit area will be set up again for perusal during the lunch period and breaks. The Symposium will be a full day of talks, lunch, and an evening social hour.

Your company's support of the Rocky Mountain Association of Geologists and the Denver Geophysical Society is greatly appreciated and is vitally necessary to providing a high quality 3-D Symposium. We encourage you to take this opportunity to be recognized for your support of this sellout event. All sponsors will be identified in several places, including lobby areas at the symposium, on the screen between presentations, regional and national publications, and in symposium proceedings. This offers all companies a chance to get involved regardless of size.

The 2010 sponsorship program is listed below, with five sponsorship levels based upon the amount of support.

BLACK DIAMOND
\$4000+

DIAMOND
\$2000

PLATINUM
\$1000

GOLD
\$500

SILVER
\$250

We truly count on your support for the Rocky Mountain region geological and geophysical communities this year. **Pledges need to be received by February 23rd, 2010** in order to be acknowledged in all of the meeting publications. All contributions are tax deductible. RMAG will provide a form to each sponsor to verify your contribution level to the IRS (RMAG Tax ID #84-6036048).
