

# 2019 Dues Renewal

## The Rocky Mountain Association of Geologists

With the end of 2018 fast approaching, it is now time to renew your RMAG Membership for 2019. We hope you will continue to support RMAG throughout 2019, not only with your membership, but with active participation in our events as well. We have many exciting educational and social activities planned for 2019. These events will reflect feedback received from the 2017 RMAG Membership survey, which received 712 responses!

When renewing your membership, please consider making a tax-deductible donation to RMAG. You can choose to "round-up" your membership renewal by \$9, or make an additional donation. RMAG relies on overall membership financial support to be, "The best place for Rockies Geoscience."

The RMAG staff is always available to answer any questions you may have regarding membership, dues renewal, events, or other topics. It is our pleasure to be of service!

As always, thank you for being a valued member of RMAG!
